City of Dora  
**RESOLUTION #2-2015**

**RESOLUTION DECLARING THE CITY OF DORA RESPONSIBLE  
FOR THE MAINTENANCE OF SHARON BOULEVARD  
STRETCHING FROM THE INTERSECTION OF CREEL STREET  
NORTH FOR 3.9 MILES TO INTERSECTION OF I-22.**

---

**WHEREAS**, the City Council of the City of Dora, Alabama, is responsible for maintenance of a section of road included in the City of Dora Road System and described as follows:

Sharon Boulevard, from the southern City Limits of Dora, located between the intersection Glover Road and the intersection of Smoot Street, north for approximately 5 miles to the intersection of U.S Highway 78.

**WHEREAS**, this section of the road is currently classified as "Minor Collector Rural" on the Highway Functional Classification Map prepared by the Alabama Department of Transportation; and,

**WHEREAS**, the Dora City Council believes this section of road is a major collector of traffic in the Walker County Road System; and,

**WHEREAS**, the Dora City Council believes this section of road should be eligible for the same funding available to other sections of road classified as major collectors on the Highway Functional Classification Map prepared by the Alabama Department of Transportation; and,

**THEREFORE**, the Dora City Council is requesting that the Alabama Department of Transportation classify the section of road as a "Major Collector".

**ADOPTED**, this the 10<sup>th</sup> day of February, 2015.
